

## **Algebra 1**

### **Chapter 2 Vocabulary**

**natural numbers**

**whole numbers**

**integers**

**rational numbers**

**graph**

**coordinate**

**absolute value**

**additive inverse**

**line plot**

**frequency**

**stem and leaf plot**

**measures of central tendency**

- **mean**
- **median**
- **mode**

**probability**

**odds**

**sample space**

**square root**

**perfect square**

**radical sign**

**principal square root**

**irrational numbers**

**real numbers**

**Completeness Property**

**rational approximation**
